The Premium Mock Exam Experience to Elevate Your Programs

BenchPrep's ExamSim transforms exam preparation by delivering a configurable and modifiable mock exam experience that can resemble the experiences of prevalent high-stakes exam platforms. This premium feature empowers associations, credentialing bodies, or other organizations helping individuals to prepare for exams to deliver an exam-day experience that reduces anxiety, builds confidence, and increases exam take and pass rates.

ExamSim equips learners with the tools needed to excel on exam day. It's not just practice—it's preparation with purpose.

Key Features

Realistic Exam Simulation

Configurable interface enabling practice experiences to resemble that of high-stakes testing environments.

Analytics & Insights

Leverages BenchPrep's robust analytics to track learner progress and readiness.

Seamless Solution

Layered over BenchPrep's best-in-class LMS for exam preparation. Spin up practice exams directly from the same item bank used for high-stakes exams, ensuring a seamless, unified solution.

Flexible Setup

Intuitive tools for administrators to configure exam simulation features with ease.

Advanced Practice Options

Supports a range of practice modalities, including customized practice experiences.

Customizable Exam Configurations

Organizations can tailor ExamSim's UI, including fonts, colors, layout, and navigation options, to align with their exam format and learner needs.

Benefits

For Learners

- **Reduce Anxiety and Build Confidence:** Familiarity with a format resembling an exam-day interface helps learners feel prepared and focused.

- **Improve Exam Readiness:** Realistic practice ensures learners are ready to perform their best.

- **Increase Success Rates:** Better preparation leads to higher take and pass rates and reduced exam-day errors.

For Organizations:

- **Reduce Exam Abandonment:** Decrease dropout rates and boost pass rates by empowering learners.

- **Differentiate Offerings:** Stand out in the competitive market with a best-in-class, differentiated prep and practice experience.

- **Facilitate Lifelong Learner Engagement:** Strengthen your relationship with learners throughout their professional journey.

For Administrators

- **Enhance Program Quality:** Offer a premium exam prep experience that improves learner outcomes.

- **Utilize Robust Analytics:** Gain insights into learner engagement and preparedness to refine programs.
